NOTES

1. Changes to drawings should be made on a separate sheet of paper, not on the original drawing. The changes should be made on a separate sheet of paper, not on the original drawing. The changes should be made on a separate sheet of paper, not on the original drawing.

INFORMATION ON HOW TO MAKE DRAWING CHANGES

1. Correction of Informalities--37 CFR 1.85

The drawings with the changes incorporated therein should be filed with the same serial number (if any) and the name of the inventor (if any) as the original drawings. The changes should be made on a separate sheet of paper, not on the original drawing. The changes should be made on a separate sheet of paper, not on the original drawing. The changes should be made on a separate sheet of paper, not on the original drawing.

2. Timing of Corrections

Applicant is required to submit **acceptable** corrected drawings within the three-month extended statutory period set in the Notice of Allowability (PTOL-37). If a correction is determined to be unacceptable by the Office, applicant must arrange to have acceptable correction resubmitted within the original three-month period to avoid the necessity of obtaining an extension of time and paying the extension fee. Therefore, applicant should file corrected drawings as soon as possible.

Failure to take corrective action within set (or extended) period will result in **ABANDONMENT** of the Application.

3. Corrections other than Informalities Noted by the Drawing Review Branch on the Form PTO 948

All changes to the drawings, other than informalities noted by the Drawing Review Branch, **MUST** be approved by the examiner before the application will be allowed. No changes will be permitted to be made, other than correction of informalities, unless the examiner has approved the proposed changes.
